

JOIN US FOR A NEW APPROACH TO CITIZENSHIP OF THE OCEAN

Taking care of the Ocean begins with small changes in our everyday behavior

A Citizen of the Ocean community was started in 2004

Everyday actions have global impact on the Ocean

The Citizen of the Ocean community empowers us to act and inspires others to join

Connecting people, bringing citizens and stakeholders together to use and manage marine resources sustainably

Connect on **citoyenocean.netvolution.fr**
and develop the Citizen of the Ocean Community with us!
